Module notes

• Your 5-hour build runs as one uninterrupted block. Plan breaks accordingly.
• Presentation: 7–10 minutes per team, hard cap.

Everyone, please note

• **Day 2 has a hard stop at 1:00 PM.** The Qawwali setup follows immediately, so there is no overflow time.
• Qawwali entry needs a **QR pass**. It is scanned at every entrance, with no exceptions.
• A sound team sets up in the Auditorium from about 11 AM on Day 1. Please keep noise and activity low during that time.
• Auditorium and AV Hall are open to spectators. Participants, please sit in your team area.
• If something goes wrong, speak to your module lead or any volunteer in your zone.

Timings may change slightly on the day. Any updates will be shared in your module group.
